

The Oxford

The Oxford personifies the traditions of New England; gable-front colonial with farmer’s porch, efficient open plan, classic appointment, columns, fireplace, and old-fashioned value. The formal great room flows into the central dining area located adjacent to the efficient center-island kitchen. A practical mudroom has the laundry, closet, and powder room.

The 2nd floor offers a master suite with walk-in closet and private bath, 2 family bedrooms, and hall bath.
